Dear Parents/Guardians,

Schedule and Scope of Holistic Assessment for Primary 3 End-of-Year Examinations

Please refer to the schedule appended for the dates and scope of assessment for End-of-Year Examinations (EYE).

Special considerations for absentees

If your child is absent for the EYE, he/she needs to produce a valid medical certificate or any official documentation to account for the absence in order to take the paper on another day. Your child will take the paper on another day during the examination period, up to one day after the last paper for the level.

Academic Conduct, Integrity and Responsibility

Integrity and responsibility are the core values of our school. Commitment to the highest standards of academic conduct and integrity is expected of every student. Students caught cheating or attempting to cheat will be deemed to have committed a disciplinary offence and will be awarded a zero for the paper. We believe that our students are able to take the responsibility for their own learning. Thank you for partnering with our teachers to make learning joyful and engaging for your child in Hong Wen.

For more information on our School-Based Assessment (SBA) Policy, you can refer to the letter dated 17 Jan 2024.

Please feel free to contact your child's subject teachers if you need any clarification.

Mrs Theresa Hong
Principal
