**(7) Arrival via Vehicular Transport**

This is a reminder to all parents who drive their children to school to use the school main gate along Towner Road. Upon entering the school compound, please use the left lane only to let your child alight from the car, unless directed by our security guard or teachers on duty to use the right lane.

Please do not use May Road as the drop-off point for your child as many of our students who walk to the school use May Road as entry to/exit from the school.

**(8) Dismissal Procedures**

a. Students taking the school bus

All students taking the school bus will gather according to the signages at the designated area on the ground floor. The bus drivers or attendants will then lead them to the bus in an orderly manner. Please remind your child/ward to remain seated and belted at all times while riding on the bus.

b. Students using Gates 1, 3 and 5

All students have been advised to wait for their parents/guardians at **Gate 1, 3 or 5** during dismissal. For safety reasons, we seek the cooperation of all parents not to crowd around the gates while waiting for your child/children. For students leaving via Gate 1, the walkway will only lead directly to the overhead bridge.

c. For vehicular pick-up (Please note the updates in view of the newly installed metal railings along Gate 1 by the relevant authorities).

For parents who drive to pick up your child, please note that **pick-up is only at Gate 5 from 2025** (leading to carpark at McNair Road). No cars are allowed to park at the cul-de-sac at Gate 1. Metal railings have been built along the walkway from Gate 1 such that no one is able to walk to the road from Gate 1. All vehicular pick-up must be done only at Gate 5. Please also note that no parking is allowed at May Road during dismissal. As construction for the Towner Breeze Build-to-order flats has commenced, parking at May Road will not be possible. Please kindly also note that no parents’ cars are allowed to enter the school during dismissal as our school buses occupy the entire driveway and all the bus bays. Our student care centre will be issuing a notification to parents on the arrangements for dismissal from student care.

**(9) Safety and Security in the School**

Due to safety and security reasons, all parents and visitors to the school are to use the main gate along Towner Road to enter the school. Parents and visitors entering the school are required to sign in at the Security Guard post and to state the reason for the visit. You will also be issued a sticker upon registering your visit to the school. Please proceed to the General Office to assistance after signing in at the Guard post.

**(10) Temperature-Taking Exercise**

As part of educating students to take personal responsibility for their own health and exercise social responsibility, a temperature-taking exercise will be conducted on 15 January 2025 (Wed) before the start of the first lesson. Please remind your child to bring his/her Oral Digital Thermometer (ODT) daily and ensure that it is in good working order.

All Primary 1 students will be given an Oral Digital Thermometer (ODT) each for the Temperature-taking Exercise.

**(11) Monitoring your Child's Health**

If your child is unwell, please do not allow him/her to come to the school. If your child is running a fever or displaying flu-like symptoms, please consult a doctor immediately and allow him/her to rest at home. Your child should only return to school when he/she has fully recovered and upon the expiry of medical leave. Please also help to remind your child to maintain a high standard of personal hygiene and wash his/her hands with diligence.

**(12) Communication with the Teacher / School**

Parents may wish to contact your child's teachers or the school through the following channels:

- Emailing the teachers - teachers' email addresses can be found on the school's website
- Calling the teacher through the school's number at 62943340 and you may leave a message for the teacher to call you back. We seek your understanding that teachers may not call you back immediately as they may be in class teaching.
- Using the School Diary. Please remind your child to inform the teacher if you have written a note.
- Emailing the school at [hws@moe.edu.sg](mailto:hws@moe.edu.sg)

**(13) School Website and Social Media**

You may also refer to our school website and social media platform (Instagram) for constant updates on school programmes and activities. We seek your understanding that photos/video images of your child may be captured during school events and the school may use and publish such photographs and/or video recordings in school publications, website, social media channels, and other official communications channels. **If you do not wish for your child to be featured in any school website or social media, kindly inform the school.**

As part of our ongoing communication, in the first week of January 2025, we will be providing further information on the P3 & P4 after-school enrichment programme – Curriculum for Enriched, Active & Applied Learning (CEA<sup>2</sup>L) – as well as information on supplementary materials for English Language for P5 & P6 students.
